

Cairde Na Scoile Nollaig 2016 Nuachtlitir

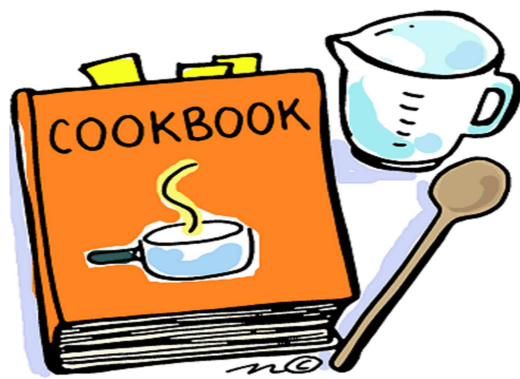

Season's Greetings to you all from Cairde na Scoile!

We are now well under way into the school year and the Cairde have been very busy indeed, planning many activities for the remainder of the school year. In this newsletter, we will provide you with some updates from events of this year so far that you all have so kindly supported & to let you know about the upcoming events planned.

So to begin, the Cairde are again running with the (Excuse the pun☺) “Run-A-Muck Challenge” after much demand & after being such a huge success last year. The event takes place on Sat 11th March (Only 13 weeks away for those training fanatics who are looking to smash their PB). If you would like to join the GSBB team in this amazing event, registration takes place Tuesday 17th January. However, we are offering an “Early Bird” price of only €20 per person for the first 50 places who pre-book & register early. You can do this by contacting the committee members below.

Bairbre : bcarthy@gmail.com or Anne : annieoloughlin@gmail.com

The chosen fundraiser for this year is our very own GSBB Cookbook.....

We are planning to create a 44-page cookbook with a selection of the children's favourite recipes. We have attached a recipe template for the children to send in their recipes. With your help, the children can pick their favourite recipes & send in to us. There will be an emphasis on health eating but we also welcome recipes for those with a sweet-tooth. A selection of recipes will then be chosen for the cookbook. So blow the cobwebs off those old cookbooks & get picking your family favourites to share with us.

The Cookbook will be launched in time for Easter so watch out on FB for more updates!!!

BIG BIG Thank You to you all – Fundraising so far.....

So far this year, the annual Halloween Disco, the Christmas Cards & more recently the Bag 2 School were all a huge success & have raised much needed funds. We cannot express our gratitude enough to all of you who help & support in so many ways.

The funds raised this year to date are being allocated to a project with an external company who will come on site & with the involvement of our children develop planting on site over a 3 year period.

The plan is to grow hedgerows around the site along with lots of indigenous Irish trees, plants & flowers that will provide a natural habitat to attract & support our native birds, insects & butterflies. The plans can be viewed in the school.

So a huge thanks to you all again for your continued support.

Get Involved – Volunteer!

If you would like to get involved &/or help in anyway with the school for upcoming events please let us know – we'd be delighted to have you!

Anything from partaking in the event or helping on the day, Baking, Pouring the tea, selling tickets, decorating school etc..... List is endless as always.....

We are on Facebook so please join us for updates ☺

Le meas,
Cairde na scoile
