Bag2School Clothing Collection

*The next collection will take place the week **8th-12th June**. The two collections we've already held have raised almost €1,000 for the school. Bag2School are also now accepting mobile phones, tablets and digital camera's whether they are in working condition or not. Simply box these items separately and we are guaranteed a minimum of €1 per item depending on the make, model and condition, however if they are worth more they will be paying a higher price. This will be the last collection for this school year and once again bags are available now from Linda in the Oifig. You can also put clothes in other large plastic bags too.*
