Dear Parents,

Thank you for your support on our recent 'Bag2School' scheme, we were delighted to raise €454 for the school. We will be planning another collection during the month of May, so you'll be able to do another clear out just in time for Summer!

Don't forget our main fundraiser for GSBB this year is an '80s themed party night taking place on Friday, 24th April in the Carnegie Court Hotel, Swords. If you remember dancing to Wham, The Cure, Madonna, Blackbox, Guns n' Roses, Pet Shop Boys, Erasure and Madness, to name just a few, then you will just love this fantastic night out!! Dust off those legwarmers, headbands and leather ties and join us for a night of dancing and fun all for a really good cause.

On the night there will be a choice of hot meal, a live band, a DJ and a bar extension until 2.30am. We will also have a raffle with great prizes and an auction too. Tickets are priced at €30 each and will be available from the Oifig from Wednesday, 18th March. You can also purchase tickets by completing the form and sending the money into the school in the envelope provided which will be sent home in the schoolbags. Tickets will be on a first come first served basis so get your tickets quickly!

All money raised on the night will go to GSBB and towards increasing the all-weather play area for the children, upgrading the school's existing IT system to support the iPads which were recently purchased and providing an electronic library tracking system for the school.

We listened to feedback on the survey we did last year and have taken everything into account in organising this fundraising event and we really hope we will get everybody's support.

We will be doing the annual 'Rith' later in the year. Training will begin after Easter and more details to follow shortly.
