Dear Parents,

Tickets for our 80's themed party night, taking place on Friday, 24th April in the Carnegie Court Hotel, the main fundraiser for GSBB this year, are now on sale from Linda in the Oifig or from any of the Cairde Committee Members.

This is the main fundraiser for GSBB this year, tickets are €30 each and include a live band, DJ, hot meal and bar extension until 2.30am. You can also purchase tickets by completing the form and sending the money into the school in the envelope which has been sent home. Tickets will be on a first come first served basis so get your tickets quickly! We will also have a raffle with great prizes and an auction too. Parents are also more than welcome to donate a prize for the raffle if they would like. Remember dress up is optional on the night!

All money raised on the night will go to GSBB and towards increasing the all-weather play area for the children and also upgrading the school's existing IT system to support the iPads which were recently purchased.
