Plean Feabhsúcháin Scoile 2014-2015

Mata

Bhí sé mar aidhm againn i mbliana treisiú a dhéanamh ar an dul chun cinn a bhí déanta mar scoil againn sa réimse ‘fadhb réiteach’ sa mhata. Seo an triú bhliain sa phróiséis agus d’éirigh linn torthaí i bhfad níos fearr ná na spriocanna a bhí scríofa sa plean a bhaint amach. Tá sé i gceist againn díriú isteach ar ghnéith eile den mhata an bhliain seo chugainn.

Gaeilge

Bhí sé mar aidhm againn i mbliana an Ghaeilge labhartha sa scoil a fheabhsú i ngach rang maidir le líofacht agus cruinneas. Rinne na páistí scrúdú béil ag tús na bliana agus arís ag an deireadh agus ar an iomlán tháinig feabhas ar fhormhór na bpáistí sa scoil. Leanaimid ar aghaidh leis an dul chun cinn seo sa scoilbhliain nua agus beimid ag díriú chomh maith ar scríbhneoireacht na Gaeilge.

School Improvement Plan 2014-2015

Maths

This year’s aim was to improve on the gains made in the area of ‘problem solving’ in maths. This is our third year and the results far exceeded the stated aims for our third year. We will continue the good work in this area and concentrate on another area of maths that needs improving.

Gaeilge

We set out this year to improve spoken Irish throughout the school in both fluency and accuracy. The children underwent an oral Irish test at the beginning and at the end of the year. When re-examined, improvement was noted in the vast majority of pupils tested. We will continue to help the children improve in this area and concentrate next year on written Irish.
